

WE INVITE YOU TO JOIN PTO!

The Sage Canyon Parent-Teacher Organization (SCPTO) has raised more than \$300,000 for our school since it opened in 2010. That money goes directly to our students and teachers. We have purchased iPads, laptops, furniture, PBL training for our teachers, paid for grants for music, P.E., art, and special education, security systems, and so much more. We also provide fun, free activities for our school community to enjoy.

We create fun, have fun, and raise funds!

Who are we?

We are a chapter of the Douglas County Educational Foundation (DCEF). The SCPTO is a strong group of parents, teachers, and staff that are building an amazing school and community.

We're proud of the work we've done in past years — and we invite you to join SCPTO to help us continue that great work.

How can you be a part of it?

Join us! Membership is just \$20. As a SCPTO member, you will receive a small gift only for PTO Members at each PTO sponsored event over the school year.

Our promise: ***Signing up doesn't mean you're going to be sucked into a black hole of volunteering!*** We're all busy parents too — and we all want to have fun and make your time count.

Benefits of becoming a PTO member are you'll have fun, feel connected, and know you're making a difference at our amazing school!
